

RECOMMENDED SURVEY QUESTIONS (Q) AND POSSIBLE ANSWERS (A) FOR INDICATOR:

Teaching Materials

FULL INDICATOR GUIDANCE IS AVAILABLE [AT THIS LINK](#)

Post Distribution Monitoring

This indicator can be built upon to gather feedback directly from teachers / education personnel regarding the adequacy of the materials provided. To do this, INEE Indicator 4.12 Percentage of teachers who report having adequate teaching and learning materials and teaching and preparation space can be used. Sample survey questions that can be used to ascertain this information could include:

Q1: *Did you receive a teaching or [specify: school / learning space] kit?*

A1: Yes / No / Don't know / Refuse to answer

(consider asking the following questions only if the previous answer is YES)

ADDITIONAL OPTIONAL SURVEY QUESTIONS:

The following questions are not required to determine the indicator's value but can provide you with useful additional insights:

Q2: *How satisfied or dissatisfied are you with the quantity / quality of items within the distributed teaching or [specify: school / learning space] kit?*

A2: Very satisfied / Satisfied / Neutral / Dissatisfied / Very dissatisfied / Don't know / Refuse to answer

Q3: *Why were you dissatisfied with the materials you received?*

A3: (open response)

Q4: *Did the materials you received break or fall apart within [specify: time period] of receiving them?*

A4: Yes / No / Don't know / Refuse to answer

Q5: *Which materials you received broke or fell apart?*

A5: (open response)

Q6: *What did you think of the quality of the materials you received?*

A6:

1. Materials were very good quality
2. Materials were good quality
3. Neutral
4. Materials weren't good quality
5. Materials were very bad quality
6. Don't know
7. Refuse to answer

Q7: *If the materials you received were of bad quality, which ones and how?*

A7: (open response)

Q8: *Did the materials you received last for the whole school year / cycle of non-formal education?*

A8: Yes / No / Don't know / Refuse to answer

Q9: *If no, which materials you received did not last for the whole school year / cycle of non-formal education?*

A9: (open response)

Q10: *What materials did you not receive that were needed in your classroom?*

A10: (open response)

Needs Assessment

This indicator can additionally be used as part of a Needs Assessment process to understand the degree to which teachers and education personnel have access to adequate teaching and learning materials. In this case, survey questions are designed to determine teachers' access to materials. For example:

Q1: *Do you have access to adequate teaching and learning materials?*

A1: Yes / No / Don't know / Refuse to answer

Q2: *If no, which teaching and/or learning materials do you need?*

A2: (open response)
